

Hospice Dinners Get Continued Support from Local Restaurants

Life is a Celebration is a special program offered by LMC's Hospice program that brings a complete dinner party to the home of a hospice patient (and family or caregiver), who would otherwise find it very difficult or impossible to get out.

The project could not continue without the continued support of community businesses, such as the below:

Laura Cutsforth owner of Hobby Horse Gift Shoppe & Floral

Chris Lindstrom and Troy Haugen owners of North End Floral

Julie Stangle owner of Gilligan's

Tony Schneider and Sheri Van Vickle from Dobie's

Doreen Marsh, Restaurant and Beverage Manager from Tagalong Golf Resort and Restaurant

John Porter From Marketplace Foods
